Why Confession is Good for the Soul—and the Body 522

Carole Wade and Carol Tarris

SELECTION 30

Drugs 527

Gore Vidal

Endnotes 533

Credits 541

Index 547

GUIDE TO COLLEGE READING

FOURTH EDITION

KATHLEEN T. McWHORTER

Guide to College Reading, Fourth Edition has three central aims: 1) to present techniques and guided practice that will enable students to accomplish reading tasks within an efficient and realistic framework; 2) to encourage students to develop successful active reading strategies; and 3) to prompt students to approach reading as a thinking process. The text guides readers in developing reading flexibility—adjusting both comprehension and rate to suit the purpose, the type and complexity of the material, and the degree of familiarity. Reading comprehension, retention, vocabulary development, critical reading, and rate-building techniques are key focal points of the text. The fourth edition features new "Critical Thinking Tips," a section on acquiring critical thinking skills, 11 new readings, a Learning Styles Assessment feature, a greater emphasis on multiculturalism, and a revised table of contents.
