ABSTRACT

PEREZ ,CRISTINE JOY A., A Closer Look on Kapit-Bisig Laban sa Kahirapan Comprehensive and Integrated Delivery of Social Services (KALAH-CIDSS) Focusing on Peoples Empowerment in Selected Barangay in Dasmariñas City, Cavite. Undergraduate Thesis Bachelor of Science in Social Work. Cavite State University. April 2016. Thesis Adviser. Merlie C. Nahilat, MSSW

This study was conducted to answer the following problems: (1) what are the projects of KALAH-CIDSS in Dasmariñas City?;(2)what are the problems encountered in implementing the project?; (3) what is the impact of KALAH-CIDSS on the lives of community people?; (4) what are the perspective of the beneficiaries and stakeholders on the KALAH-CIDSS projects?; and (5) how can KALAH-CIDSS project be further improved as perceived by the beneficiaries and stakeholder?

The study used the descriptive evaluative method. This method used a survey questionnaire and focus group discussion for data gathering. The participants of the study were the ,Barangay Paliparan III and Barangay Sta. Lucia with fifty (50) participants and ten (10) for Focus Group Discussion (FGD).

. The study found out that the projects implemented by KALAH-CIDSS really help the people in the community in the two Barangays.The program helped the people to generate their own income, delivered social services like health, education and facilities of the community. Some of the beneficiaries got employed and were able to provide the needs of their family. People get aware of their community, they were empowered by participating in the community people. Good governance was felt by the help of LGU's people in the community.

Ms. Rosalita G. Abuan, head of City Social Welfare and Development Office (CSWDO)- Dasmariñas City Cavite, for allowing the researcher to conduct her study;

Hon. Jennifer A. Barzaga, meyor of Dasmariñas City Cavite, for giving permission to conduct the study;

Her parents; Mama and Papa for their moral and finacial support to conduct the study;

And above all, the ALMIGHTY GOD who give wisdom, knowledge, strength, courage, guidance and blessings which led to the realization of this work and love that led to success of this research

INTRODUCTION

“Kaya natin ang pagbabago kapag magkakapit-bisig tayo!”

- Kalahi-cidss Ncddp

KALAHI-CIDSS is a program utilizes the Community Development approach. Community development combines the idea of “community” with “development”. Community is a group of people with a shared identity. Hence, community development relies on interaction between people and joint action, rather than individual activity (Flora and Flora, 1993). Development involves change, improvement and vitality a directed attempt to improve participation, flexibility, equity, attitudes, the function of institutions and the quality of life (Shaffer, 1989). Putting the two terms together community development means that a community itself engages in a process aimed at improving the social, economic and environmental situation of the community. The community is both the means and the end of community development. The community itself takes action and
