Thank you for choosing a Cengage Learning Metric Edition. Cengage Learning's mission is to shape the future of global learning by delivering consistently better learning solutions for students, instructors, and institutions worldwide. This special edition is the result of an innovative and collaborative global development process designed to engage students and deliver content and cases with global relevance.

Cengage Learning developed and published this special edition for the benefit of students and faculty outside the United States. Content may significantly differ from the United States college edition.
