ABSTRACT

BOLILAN, MONIQUE CAROLINE A. *Exposure to My Husband's Lover and Acceptance of Same Sex Relationship among Selected Male Students of Cavite State University Main-Campus.* Undergraduate Thesis. Bachelor of Arts in Mass Communication. Cavite State University, Indang, Cavite. March 2014. Adviser: Allan Robert C. Solis.

The study was conducted from January to February 2014 in Cavite State University, Indang Cavite to determine the level of exposure to *My Husband's Lover* and acceptance of same sex relationship among selected male students of Cavite State University-Main Campus. Specifically, the study aimed to measure the level of exposure of *My Husband's Lover* among selected male students of Cavite State University Main Campus in terms of frequency of watching and length of time in watching; to determine the level of acceptance of same sex relationship among selected male students of Cavite State University-Main Campus; and to determine the relationship between exposure to *My Husband's Lover* and acceptance of same sex relationship among selected male students of Cavite State University-Main Campus.

In gathering data, survey questionnaires were disseminated to 131 male participants from the College of Criminal Justice where there is a huge number of male students.

The exposure level of the participants revealed that less than half of them, or 54 male participants, have watched *My Husband's Lover*. Majority of those who have watched *My Husband's Lover* or 23 participants out of 54 only watch once a week and 19

participants watch only 20 minutes or less. However, participants “Disagree” on same sex relationship. Moreover, the results show that there is no significant relationship between the exposure to *My Husband’s Lover* and acceptance of same sex relationship among selected male students of Cavite State University-Main Campus.
