ABOUT THE AUTHORS

antonio P. Contreras, Ph.D. is a Full Professor of Political Science at the Political Science Department, De La Salle University, Manila. He has a Ph.D. in Political Science from the University of Hawaii. He authored The Kingdom and the Republic: Forest Governance and Political Transformation in Thailand and the Philippines published by the Ateneo de Manila University Press in 2003 and Locating the Political in the Ecological: Globalization, State-Civil Society Articulations and Environmental Governance in the Philippines published by the De la Salle

University Press in 2002. Most of his research and publications are in the areas of political theory, political ecology, political culture and the politics of everyday and ordinary lives. He has been teaching since 1982, first with the University of the Philippines, Los Banos, and since 2001 at the De La Salle University where he also served as Director of the University Research Coordination Office (URCO) in 2003, and as Dean of the College of Liberal Arts from 2004 to 2008. Prof. Contreras teaches undergraduate courses in political theory and methodology and science, technology and society, and graduate courses in the philosophy of the social sciences, and in qualitative research techniques.

DENNIS S. ERASGA, Ph.D. is a Full Professor of Sociology at the Behavioral Sciences Department, De La Salle University, Manila. He has a Ph.D. in Environmental Science from the University of the Philippines, Los Banos. He authored From Grain to Nature: A Genealogy of Environmental Discourse in the Philippines, 1946 – 2011 published by Vibal in 2012 and an edited volume Sociological Landscape: Theories, Realities, Trends published by Tech, Croatia in 2014. He also has written

numerous journal articles on social theory, sociology of literature and disaster narratives. His most recent article was about Filipinong sosyolohiya, a home-grown sociology with a nativist standpoint. He has been teaching since 1990 starting with Colegio de San Juan de Letran, Calamba, but a greater part of which has been with the De La Salle University for the last 17 years. Prof. Erasga teaches introductory sociology, science, technology and society, history of social thought at the undergraduate level, and classical and contemporary sociological theories and advanced sociological theories at the graduate level.

DR. ROBERTO E. JAVIER, JR. is a Full Professor and Chair of the Department of Psychology of the De La Salle University Manila. He is a Registered Psychologist and a member of the Psychological Association of the Philippines. He obtained his Ph.D. in Psychology, Magna cum Laude from the University of Santo Tomas and his M.A. in Education, Major in Psychology, Magna cum Laude from De La Salle-Araneta University. He is a Research Fellow at the DLSU Social Development Research Center. His books, published by the De La Salle Publishing

House include Pakikipagkapwa (2012), From Exceptionality to Exceptional (2014) and Seasons in Parenting (2015), which was nominated for the National Book Awards. He has held six professorial chairs: John Gokongwei Sr.-Asian Studies (2006), Charles Keung-China Stuides (2007), Fausto Gonzales Y Sioco-Local Government (2010), Exaltacion Ramos-Tests and Measurements (2015), PAGCOR-Human Development (2016) and the Manuel Zamora-Social Science (2017).
