"Anyone who reads this book will have new respect for the nobility of the legal profession and will understand why lawyers are so indispensable in our society. And for people who have always wondered about the mysteries of the law, lawyers and the law profession, Atty. Tulalian's book is an illuminating guide."

- **ATTY. NICOLAS E. LAPUZ, CPA, CSEE,**
*Law Professor, Manila Law College
and Philippine Christian University/Court Attorney, Supreme Court*

"By reading this book, lawyers will realize that theirs is a life of service, especially to the poor and the oppressed; that, as St. Thomas More had aptly said, they are the King's good servants, but God's first. And though always under public scrutiny, lawyers are reminded that they belong to the world's greatest and noblest profession."

- **ATTY. FERDINAND C. JUAN, LL.M., Alumnus, Ateneo Law
School and Georgetown University, USA**

"This compilation is a fresh way to inculcate in the reader the significance of the legal profession. Atty. Tulalian is a victor in inspiring law students to take pride in their future dream--lawyering in the grand manner."

If the study of law is a science, then this is its art."

- **ATTY. HASMINAH D. PAUDAC, MDM, Private Law Practitioner/
