Catering Services: A Complete Guide

About the Book

Professional catering involves the provision of food service at occasions such as birthdays, weddings, anniversaries as well as outdoor events such as festival celebrations, concerts, public meetings, etc. Corporate events, cocktail parties and get-togethers are other occasions that use catering services. Caterers provide food and drink services according to the client's requirements. Menus, cutlery, tableware and entertainment are carefully selected according to the occasion. For someone with an interest and eye for detail, this book covers the most significant topics in the field of catering. It will be of great help to all those who are involved in the hospitality sector.

About the Editor

Robert Curtis pursued his Msc in Hotel & Food Services Management from Bournemouth University, United Kingdom. He conducted researches on catering and event-based food services management. He has won over 12 awards and recognitions for his researches and teaching service. Curtis is a distinguished professor of undergraduate education and currently serves as guest faculty for several universities across United States.
