ABSTRACT

CUENO, REALYN S. Backyard Swine Production in Tambo Malaki Indang, Cavite; An Entrepreneurial Development Project. Bachelor in Agricultural Entrepreneurship major in Animal Production. Cavite State University, Indang, Cavite. Adviser: Dr. Mariedel L. Autriz.

This project was conducted at Brgy. Tambo Malaki Indang, Cavite. Starting from January 12, 2018 and ended on April 20, 2018. The project intended to improve skills and strategies in swine production in terms of actual operation and management of a swine production project. The swine production project raised 4 piglets that were purchased from a commercial swine farm, with the average weight of 18.25kg.

The feeds were bought from Lumampong Halayhay Indang, Cavite. The stocks were fed two times a day and experienced a restricted feeding to avoid feed wastage. The overall cost of the project is ₱35,623.07 while the return is ₱40,180.00, with an ROI of 12.79%.
