"May you live in interesting times" is a fake Chinese curse, but we do live in interesting times where globalization plays major roles in our everyday life. CONVERGENCE: A College Textbook in Contemporary World is a well-researched, comprehensive, up-to-date and interactive textbook on globalization. This book is indeed a necessary resource material for all students interested in the study of globalization.

- Ichiro Araki PhD. Professor of Law, Dean of the Department of Law;
Professor- Graduate School of International Social Sciences
Yokohama National University
