This book is about children's development and learning. It enables you to understand both the developmental patterns and sequences in children's development and how the context of this learning impacts on children's progress.

Knowing about children and their development underpins all that we do in early years.

This text enables you to:

- understand the context of children's development
- explore different aspects of children's development
- apply your understanding of child development in practice
- enhance your practice and develop your knowledge
