The Author	

THE BOOK

Digested Notes and Review Materials on Forensic Ballistics aims to aid Criminology students in their mastery of forensic ballistics. The book includes notes that briefly and precisely define and explain valuable concepts in forensic ballistics. The review materials are comprehensive in terms of the scope of knowledge they cover. Further, these are designed to follow the format of formal examinations so as to ready the students in taking the Criminologist Licensure Examination.

Excello™ is a continuously expanding aggregation of high-quality learning assessments designed to help students master the Philippine curriculum's key skills and provide teachers with easy-to-use test creation tools.
