ABSTRACT

EGUIA, GERALYN A. AND ROMEROSO, RAEZY ANN C. Implications of K-12 Program as Perceived by the Parents of *Pantawid Pamilya* with Children Enrolled in Senior High School in Alfonso, Cavite SY 2017-2018 Undergraduate Thesis Bachelor of Science in Social Work. Cavite State University, Indang Cavite. May 2018. Adviser: Mr. Renato T. Agdalpen, MA.

The purpose of this study was to present an overview of the research on “The implications of K-12 Program as Perceived by the Parents of *Pantawid Pamilya* with Children Enrolled in Senior High School in Alfonso, Cavite S.Y 2017-2018. It aimed to determine the perception of 4P’s beneficiaries regarding the implementation of K-12 Program, determine the problems encountered by parents in relation to the implementation of the K-12 program, and provide suggested programs and services of the MSWDO – Alfonso in response to perceived problems of the *Pantawid Pamilya* beneficiaries.

The study utilized purposive sampling technique and interview guide question, the participants came from selected barangays in Alfonso, Cavite. The study utilized a narrative method which was specifically done through analyzing the perception, problems encountered by the parents of *Pantawid Pamilya*, suggested programs and services of MSWDO – Alfonso in response to the perceived problems of the *Pantawid Pamilya* beneficiaries

The study revealed that the majority of the participants agreed with the implementation K-12 program because they believed that it would contribute to their child’s knowledge. Moreover, the study revealed the *Pantawid Pamilya* program of the government was a big help for the beneficiaries most especially in terms of education
